--------------	----

A close-up, profile view of a woman's face, looking upwards. She has short, straight red hair with bangs. Her eyes are closed, and she has dark, thick eyelashes. Her lips are painted with a bright red lipstick. The background is a large, flowing mass of red hair, creating a sense of movement and texture. The lighting is soft, highlighting the contours of her face.

A modern living room interior. A light-colored sofa is adorned with several pillows, including a striped one and a solid light blue one. In front of the sofa is a wooden coffee table with a tray holding a teapot and cups. To the right, a lamp with a white shade and a wooden tripod base stands next to a vase of white flowers. The background features a window with sheer curtains and a solid curtain.
